

Playful Renardi Schedule and rules

Friday

9 - 9:30 a.m.	Welcome, relaxing games and discussion
9:30 - 10 a.m.	Washroom and snack
10 - 10:30 a.m.	Stories and songs
10:30 - 11:15 a.m.	Crafts or special guest
11:15 - 11:45 a.m.	Active games
11:45 - 12 a.m.	Free time and departure

Objectives

The program seeks to strike a balance between active and quiet times, as well as indoor and outdoor activities. Children will have the opportunity to participate in a variety of recreational and educational activities, including arts and crafts, music, painting and activities with special guests.

Disciplinary action and behaviour guidelines

The counsellor is responsible for setting and enforcing the behavioural limits required to ensure the children's health and safety. If a child does not respect set limits, he may be removed from an activity or situation. The problem is then discussed with the child and together a solution is found. (The child will be separated from the group, under the supervision of a counsellor.) Once the child has reflected upon his behaviour, he will be asked to explain it in a drawing.

Medication

Staff is not authorised to give any child any medication.

Required material

To ensure your child's comfort, please dress him properly for each activity and according to the temperature outside. If necessary, bring a change of cloths for your child at each activity.

Snacks

If your child is allergic or does not like the snack indicated on the schedule, please bring him one from home.

Illness

Playful Renardi staff reserves the right to refuse a child if he presents one or more of the following symptoms:

- Fever above 101°F or 38.5°C;
- Skin disease, rash or infection;
- Contagious disease (if a child has a contagious disease, parents must advise the coordinator by calling 877.7900 in order to inform other parents);
- Vomiting or diarrhea;
- Head lice (the child will be isolated until a parent or guardian picks him up; the child will be able to return to the sessions after he has been treated and the nits have been eliminated).

If a child presents one or more of the above-mentioned symptoms, the parent will be advised and required to pick up their child within the hour.

Suspected case of child abuse or bullying

In accordance with the Family Services Act, any suspected case of child abuse or bullying must immediately be reported to the Child Protection Services by staff or a parent. The number to call is 856.2400.

Child Custody

In the event of a separation or divorce, the parents must provide staff a copy of the legal document indicating who has custody of the child (if appropriate). This will allow the staff to appropriately manage the child custody issue according to the custody rights detailed in the legal document. Parents must also inform staff of any changes to the custody agreement in order to avoid any confusion between the parents and staff.

Payment

Fees are payable via cash, debit card, credit card or post-dated checks (for the beginning of the session) at the time of registration.

Non-sufficient-funds checks

A \$20 fee will be applied to all non-sufficient-funds checks.

Integrating your child

During the first session only we will allow parents in to help their child integrate into the program, if necessary.
