

Renardi Camp Rules

Objectifs

La programmation établit un équilibre entre les activités actives et les périodes de relaxation ainsi que les activités extérieures et intérieures. Les enfants auront l'occasion de participer à diverses activités récréatives et éducatives telles que le bricolage, la musique, la peinture et interagir avec les invités spéciaux.

Disciplinary action and behaviour guidelines

The counsellor is responsible for setting and enforcing the behavioural limits required to ensure the children's health and safety. If a child does not respect set limits, he may be removed from an activity or situation. The problem is then discussed with the child and together a solution is found. (The child will be separated from the group, under the supervision of a counsellor.)

Counsellor's responsibilities

- Foresee problems and intervene
- Encourage and applaud appropriate behavior
- Allow choices
- Inform the child of what is expected of him by setting limits
- Inform the parent when inappropriate behaviors persist

Accidents

Should an accident occur, the immediate priority will be to ensure that the child receives appropriate care. Staff will fill out an accident form and submit it to the Renardi camp coordinator.

Illness

Staff reserves the right to refuse a child if he presents one or more of the following symptoms:

- Fever above 101°F or 38.5°C;
- Skin disease, rash or infection;
- Contagious disease (if a child has a contagious disease, parents must advise the coordinator by calling 877.7900 in order to inform other parents);
- Vomiting or diarrhea;
- Head lice (the child will be isolated until a parent or guardian picks him up; the child will be able to return to the sessions after he has been treated and the nits have been eliminated).

If a child presents one or more of the above-mentioned symptoms, the parent will be advised and required to pick up their child within the hour.

Medication

Staff is not authorised to give any child any medication.

Food

Each child is responsible for bringing a lunch and two snacks. Since we do not have access to a kitchen, please do not send food that needs to be reheated. No peanuts or peanut butter allowed!

Required material

Your child will need:

- A pair of sneakers with non-marking soles (the wear of roller sneakers is prohibited)
- A second pair of footwear for indoors
- Sunscreen
- A bottle of water
- A swimsuit, bathing cap and towel (for outings at the pool)

Hours of operation

Renardi Camp is open on Tuesday, Wednesday and Thursday from 9 a.m. to 4 p.m.

Late fees

If you pick up your child after 4 p.m., late fees will apply.

10 minutes late: \$5

15 minutes late: \$10

20 minutes late: \$20

Pick-up time

If someone is authorized to pick him up after camp, the counselor must be advised by phone at 877.7900

Absence

If your child is going to be absent, please inform the coordinator by voicemail before 9 a.m. at 877.7900. If the absence is due to illness, please specify this so that counselors can monitor any spread of the disease.

Suspected case of child abuse or bullying

In accordance with the Family Services Act, any suspected case of child abuse or bullying must immediately be reported to the Child Protection Services by staff or a parent. The number to call is 856.2400.

Child Custody

In the event of a separation or divorce, the parents must provide staff a copy of the legal document indicating who has custody of the child (if appropriate). This will allow the staff to appropriately manage the child custody issue according to the custody rights detailed in the legal document. Parents must also inform staff of any changes to the custody agreement in order to avoid any confusion between the parents and staff.

Payment

Fees are payable via cash, debit card, credit card or post-dated checks (for the beginning of the session) at the time of registration.

Non-sufficient-funds checks

A \$20 fee will be applied to all non-sufficient-funds checks.
